### GLENN CAMPAIGN OF CITY GETS UNDER WAY

If you will call him or write him, in the City will clean up your vacant lot free for nothing, but you must keep it clean then, for a City Ordinance provides this. This offer for free cleaning does not run longer than June 30th, as labor becomes scarce by that time.

Owners of thirty-seven buildings have been mailed orders to vacate and demolish buildings for a City Ordinance provides to be beyond repair (at least 50%).

If the owners do not do this within the time limit given they will be ordered to appear before the Council and show cause why the City shouldn't move in and tear them down at the expense of the owner.

Orders have been sent to the following: Almax, Inc., buildings located at 536 SW Ave. C, 524 SW Ave. BPI, 258 SW C, (2 buildings); Mrs. A. Alper, 421-233 SE Ave. E, Solomon & four runs in the fifth inning to give the Elks a 12-11 margin over Kilgore.

Elk, 625 SW Ave. D (2 bldgs); Lennie Griffin, 533 SW Ave. C, PI, Marion M. & Lottie M. Ham, 741 SW Ave. C, John Hankerson, 641 and rear 641 SW Ave. C, Ernest Hill, 417-35-33 SW Ave. C, A. L. Mutch, 357-65-69-73 W. Ave. A, R. J. Poole, 459 Ave. E, Mrs. F. D. Rutledge, 716 SW Ave. C, 948 SW Ave. C, 316-324 SW C 61, 617, 617 1/2, 641 SW Ave. C, PI, 640 SW Ave. C, Joe Strouder, rear 640 SW Ave. C, P. H. E. M. Taylor, 524 SW Ave. C, Katie McNeil Widman, 309 SW 5 St.; A. J. Hubbell Estate, rear 1100 and 1108 WFB Rd.; Milton Rader, rear 301 W. Avenue A, bldgs. 3 (A, B, C, D, E, F, G, H); and B. Q. Waddell, 910-916 N. W. Ave.

Mike Murphy's memory will linger with those who knew him, for his personal victories over the foibles of mankind; he was an honor to Alcoholics Anonymous in which he was most active.

Mike's fraternal and civic associations include the Lake Worth Consistory, the local OES and Masonic Lodge, The Legion, Rotary and the Methodist Church; he was a good citizen, a devoted husband and a proud father.

The widow "Ed", two sons, M. A. Jr. and Joseph E. Sr., daughter, Mrs. Dorothy Colgate and a daughter, Mrs. Frank Stevenson, as well as a mother, Mrs. A. J. West Palm Beach and two sisters, Misses Suzie and Alma are well known locally.

Among other survivors are Mrs. David Browder of Arcadia, and Mrs. John E. English, of West Palm Beach, two sisters, and six grandchildren: Bruce, Vernon, Patty and Jean Stevenson, John, Michael Colgate and the same treatment yesterday.

These roads the County would build, under the proposal, at a figure estimated by Engineer Middleton, according to printed reports, at \$40,000 to \$50,000. Mr. Middleton also thinks, according to published reports, that this \$40,000 to \$50,000 would be the county's \$350,000 expenditure which would undoubtedly be required in the future.

Only six of the nine and one-half miles of the proposed road would be built within the next 18 months.

One County Commissioner in explanation of the reason for turning it down said "One landowner even wanted a black surfaced road." Can you imagine any Glades farmer wanting a black surfaced road? He must be "glitten above his raisin'."

The speed with which current bridge building is progressing and this refusal to accept a gift of \$550,000 worth of "two-way concrete" bridges for the Glades are at least consistent.

Maybe the Glades shouldn't resign to "two-way concrete bridges." Our gas tax money can be spent for building bridges on the coast, but we are not allowed to have given to us bridges which we need.

### Kathleen Murphy

Mike was born in Hawkinsville, Ga. February 1905 and moved to Belle Glade in 1935.

After fifteen years in the drug business, Mike has recently operated a grocery store at the Okeechobee Migratory Labor Camp.

The Wetheringburn Funeral Home has the body awaiting announcement of time and place of the funeral.

There will be no additional taxes during my term," he said. "I have put all peace officers on notice that I intend that there will be no illegal gambling in Florida, and I believe it has been stopped; and it will continue to be stopped as long as I am your Governor."

The candidate launched vehemently into his opposition to notice that I intend that there will be no illegal gambling in Florida, and I believe it has been stopped; and it will continue to be stopped as long as I am your Governor."

Hostesses were Mrs. Arnold, assisted by her mother, Mrs. Brannon, Mrs. Russell Tucker and Mrs. Robert Allen.

**GENE KNIGHT TELLS  
OF WATER SHORTAGE**

Mr. and Mrs. W. F. Knight received word from their son, Gene Knight, who lives in Lewisburg, West Virginia of a rather unusual situation, concerning the water supply there. Knight is in trucking business and has hauled millions of gallons of water in the past year to farm homes using cisterns in the Greenbrier Valley area.

He has a special tank car and facilities for loading trucks rapidly. Last year his water bill reached a half million gallon per month based on consumption. He was the greatest purchaser of water in the city.

There has been a heavy rainfall in the past two weeks which is believed will make up for the approximately 15 inches short of normal rainfall this spring.

**POSTAL RECEIPTS**

(Continued from Page One) which was almost double the population of 3806 in 1940.

It is estimated that in the summer months the population of Belle Glade is around 9,000 and in the fall when migratory workers from all over the United States follow the harvesting of various crops, would increase the population to approximately 15,000.

At this time receipts will almost double in volume from the lowest quarter of the year to the highest.

According to Mr. Farnall, who has been with the service since 1930, the post office climbed from a fourth to a third class office in 1931, and has increased steadily since that time.

In 1940 post office receipts were enough to become a second class office and from then on increased gradually each year until 1947 and 1948 when the high waters from excessive rainfall during the late summer and fall of those years caused a drop in postal receipts which were recovered in 1949. The office was advanced to first class in 1953.

April 1, 1950, marked the first delivery service in the city, six months prior to moving into new headquarters at the present location. Since that time three

extensions to delivery service have been granted occurring on January 16, 1953; October, 1953 and January 15, 1954.

Today mail is delivered to practically all areas within the corporate limits, and including Okeechobee and Osceola labor camps.

With only 657 postoffice boxes available, prior to the delivery service a large percentage of the population called for mail at General Delivery, which necessitated the using of three clerks at one window to speed up the job of the lines that continually poured in during the winter season. Necessity forced the initiation of delivery service and since then parcels of the office have complimented the service now rendered in house delivery.

In 1940 when the office advanced to second class the personnel consisted of the postmaster, two regular clerks and one substitute, who worked about four hours a day. Today the personnel consists of the postmaster, assistant postmaster, 4 regular clerks, one regular carrier, and three substitutes who perform the duties of both clerks and carriers.

In addition to sale of stamps, revenue from metered and non-metered matter and box rent which make up postal receipts, postal savings business in the winter time will double the amount taken out and stay about normal during the summer time, with over \$100,000 the credit of depositors on file. The COD and money order business at this office far exceeds this type of business at a small office. Approximately over one-half million dollars during the year is invested in this office in money orders, with over 40,000 orders issued.

Last year, on Saturday before Easter an all record high of 187 COD parcels were delivered. Average COD parcel delivery daily total about 60. Records show that each Monday during the season about 150 COD parcels are received for delivery, and on hand records show over 500 on hand during the season which drops to about ninety during the summer months.

Sydia Heights and residences on N. W. Ave. L are expected to be included in the delivery service in the fall which will practically include all areas in the city, according to Mr. Farnall.

**KENNETH LUTZ, JR. TO  
ATTEND CAMP GORDON**

Kenneth E. Lutz, Jr. is among the fifty-eight cadets in the ROTC at Florida Southern College who has completed basic training and is now taking special work in preparation for the annual summer encampment at

Camp Gordon, Ga., June 18 through July 30.

Special courses under Col. G. G. Dickenson, professor of military science and tactics and his aides, and cadet Colonels, William Campbell of Lakeland, and Jesse Lofre of Tampa, are underway to acquaint the cadets on day-to-day regulations and problems in a military encampment.

**SENATOR SMATHERS  
EXPLAINS "BONUS"**

How the new excise reduction law will benefit every citizen will be described by Senator George Smathers in his weekly radio report from Washington which will be heard over WSWN at 3:15 next Wednesday.

The senator will be interviewed by Washington newsmen and the recorded press conference will be brought to this area by transcription. It will be broadcast locally by the station management as a public service.

The \$99-million-dollar tax-reducing bill signed last Wednesday by President Eisenhower, and the cust went into effect on April 1. The measure

reduces to 10 percent the tax on transportation costs, telephone and telegraph bills, and a long list of retail items such as toiletries, luggage, fur, jewelry, etc. It exempts from admission taxes college football games, small theatres charging not more than 50 cent, museums operated by government or nonprofit institutions and games played for the benefit of crippled children's hospitals.

It retains the present tax on liquors, cabarets and night Clubs, post season bowl games and others where no special hardship exists.

BEAUTY TREATMENT THAT GIVES YOU MORE VISIBILITY

The transparent-tinted, lightweight windshield is built in the most modern style in styling, and is a step ahead in your view of the road.

This stunning "hardtop" model is the Buick Special Encore—V8 powered, and priced just a few dollars above similar models of the "low-price three's"

**TAKE THE WHEEL—just for the joy of it**  
(Another big reason for trying a '54 Buick)

UNLESS you've tried it yourself, you're going to find it hard to believe.

But when you press the pedal of a 1954 Buick with Twin-Turbine Dynaflow,\* joy reigns—and so do you.

You feel the joyous thrill of commanding instant response, the solid "take hold," the firm authority of your acceleration.

You feel a joyous exhilaration at the utter smoothness of the forward carry—a completely infinite smoothness—that is there every inch of the way.

And you feel a deep and abiding joy at the simplicity of it all, the ease with which you drive, the blessed restfulness of travel with a truly automatic transmission working its wonders.

As we said, you'll find this hard to believe—until you try it yourself.

Until you try TT Dynaflow with the stepped-up V8 horsepower of the 1954 Buicks. Until you try it with the new buoyancy and the new handling sureness of the improved Million Dollar Ride. Until you try it with the new visibility, the new luxury, the new "look of tomorrow" styling that are part and parcel of every 1954 Buick.

So, we want you to be our guest at the wheel of a 1954 Buick with Twin-Turbine Dynaflow this week.

During April, 1,500,000 people will guest-drive the 1954 Buicks, and join the Thrill Of The Month Club by doing so. We cordially invite you to join them, for a real thrill. Call us today.

## DR. PIPES TELLS

(Continued from Page One)

all during this vaccine has been used on human volunteers, and have pronounced it safe for field trial among our school children.

All that can be done to assure the safety of the vaccine has been done. It now remains to test the vaccine in the field under natural conditions of exposure to Polio. I have confidence in the honesty and integrity of these above mentioned individuals and The United States Public Health Service. I cannot conceive of men of this caliber releasing a vaccine that is not safe. Therefore, I believe that parents should cooperate fully with the field trials now being set up in Palm Beach County.

Due to the fact that the first cases of polio in this area have been reported, at this particular time we should emphasize more than ever the importance of the vaccine survey program which is to take place next week.

Miss Banna Rodriguez reports that a remarkable job has been accomplished by these volunteering in organizing and contacting all parents, and that 75 to 80% of the children in first, second and third grades, including South Bay, Lake Harbor, Belle Glade and Oseola Camp, and also the negro schools of Ritts Island and Bean City, Rosemead and Lake Shore Elementary, will participate in the program.

Parents will be notified when the vaccine will be given. It is urged that all parents that begin the series remain in the vicinity until completed.

Doctors in the city who will give the vaccine are: Dr. Herman Baxt, Dr. W. J. White, Dr. Ralph Phillips, Dr. S. J. Simmons, Dr. Baxt will assist Dr. W. O. Gaffney in the colored schools. There are approximately 1202 white children, (not all requests have been turned in) to date who will participate in the program which will be held at the Belle Glade Elementary School. Each child is expected to be given

shots at intervals of one, and two weeks with a booster shot the 4th week. Results of this survey will not be known until the end of 1955.

The following mothers have given their time and efforts:

General Chairman, Mrs. C. D. McClure; General chairman of all first grades — Mrs. R. E. Hotard.

Mrs. Lovell — First Grade, Mrs. Louis Kirchman, chairman, Mrs. Victor Riedel, Mrs. John Turner.

Mrs. Milton Barry — First grade, Mrs. Kiefer Breeding, chairman, Mrs. Vernon Dexter, Mrs. Albert Kruse.

Mrs. Margaret West — First grade, Mrs. Syd Cox, chairman, Mrs. Eddie Schoepell, Mrs. Clifton Todd.

Mrs. Brooks Henderson — First grade, Mrs. Ruth Gangstad, chairman, Mrs. Wilmot Hayes.

Mrs. Dick Townsend, chairman of all second grades.

Mrs. Herman Close — Second grade, Mrs. Frank Dooley, chairman, Mrs. William Graber, Mrs. John Del.

Mrs. Jeanne Lloyd — Second grade, Mrs. Harold Rubin, chairman, Mrs. Junius Harris, Mrs. W. S. Ingram.

Miss Dorothy Binkley — Second grade, Mrs. Victor Green, chairman, Mrs. Edith Bridges, Mrs. Douglas Thompson.

Mrs. W. H. Thames, chairman of all third grades.

Mrs. Edith Murray — Third grade, Mrs. E. W. Scheffer, chairman, Mrs. Lois Hollingsworth, Mrs. E. Muller.

Mrs. Louis Ruff — Third grade, Mrs. James Ball, chairman, Mrs. LaChance, Mrs. Lee Berryhill.

Mrs. G. W. McClure — Third grade, Mrs. Kent Bell, chairman, Mrs. Dick DeFils, Mrs. Clyde Clayton.

## FIELD TRIALS FOR POLIO VACCINE GIVEN MAY BY B. COUNTY MEDICOS

The Palm Beach County Pediatric group met with Dr. James C. White, Palm Beach County Medical Society representative and Dr. C. L. Brunk, Director of Palm Beach County Health Department, Saturday, April 10th, to discuss the forth-coming vaccine to be given for polio.

Palm Beach County is one of the 48 states of the United States that are participating in this field trial. We, the Pediatric group, endorse and recommend the program set up by the National Foundation for Infantile Paralysis. We feel that the checking and re-checking of the tests to determine the virility of the vaccine renders it suitable for human consumption.

On record as endorsing and recommending the field trial for polio vaccine in this community and will help in all ways possible to make it a success: Drs. Margaret Bashford, C. Jennings Derrick, John P. Greene, Rich-

ard M. Irwin, Lawrence R. Levi, David W. Martin, H. John Richmond, Roslyn Skyer, Edgar W. Stephens.

Statement of American Academy of Pediatrics:

"When and as it becomes possible to extend studies on immunization of children against polio by means of a killed virus vaccine, the Academy of Pediatrics wishes to extend to the National Foundation the professional support and cooperation of its membership."

### EASTER EGG HUNT FOR SOUTH BAY YOUNGSTERS

Mrs. H. H. Walker and Mrs. Eugene Bailey were hostesses at an Easter Egg Hunt for the tiny tots on the Walker lawn on Good Friday.

### JEFFRIES ELECTED LIONS PRESIDENT

The South Bay Lions Club recently elected officers for the ensuing year.

W. M. Jeffries was elected president; Clayton Waters, first vice-president; Frank Willis, second vice-president; Mead Willis, secretary-treasurer; S. J. Fisher, Lion Tamer; Pollen Morris, Tall Twister; Melvin Herring, R. C. White and Cleo Higginbotham, directors.

Plans were laid to erect a refreshment stand in the softball park, which has since been accomplished. Seven truck loads of clay were also obtained and the softball court infield covered.

### THREE STREETS GET NEW TAR TOP COAT

The main residential streets in South Bay have recently received the new look. Three streets, Bole Avenue, Lake Avenue and Joe Lewis Avenue, were paved several years ago and topped with a tar surface. The work was financed by the city council assisted by the county road department, which furnished the necessary equipment and also assisted with the hauling of rock.

This week the county road department equipment also was used to lay a top coat of tar and slag to the above three streets which total approximately one mile of city paving. Since the two cross street highways run through the business district and the county road department last year paved West Canal Street this improvement now gives South Bay more than three miles of hard surfaced streets. The county road department some years ago paved Palm Beach Road from the post-office to the Rosenwald School. The city street department tackled the cross streets linking the main streets two years ago to give the town excellent streets.

### SOUTH BAY WMU HOSTESS TO P. L. ASSOCIATION

The South Bay WMU was hostess to the Palm Lake Association at the South Bay Baptist Church in an all day session last Thursday.

A sandwich luncheon was served during the non intermission with the South Bay members responsible for the dessert and the drinks.

Mrs. A. N. Lamoureux welcomed the association to South Bay. The Rev. H. R. Harlie, pastor of the Lake Harbor Baptist Church sang, "The Holy City". Mrs. John Cooper presented the afternoon devotionals.

Presidents leadership conferences were conducted and routine business transacted.

The highlight of the meeting was a talk by Mrs. A. R. Gilchrist, a government photographer, who has recently returned from some years duty in Manaus, Brazil.

She held her audience spell bound as she related personal experiences and human interest stories of the life of the people in the Amazon River valley. She made her headquarters in the orphan children's home conducted by Rev. and Mrs. Clem D. Hardy, who have been serving as missionaries there since 1937 and assisted them in their work in her leisure time.

Many pictures of life and people in Brazil and an elaborate exhibit of the beautiful handwork done by the children in the home were displayed to illustrate her talk.

Mrs. Vance Woodard of Lake Worth reported the highlights

### WHO IS THE "GOAT"

(Continued from Page One) the highways of the state \$5.00 flat."

This is the law under which the \$5 tag has been issued to more than 800 trucks in the Glades, according to reports, and for which "papers" have been served on many Glades citizens.

The Attorney General, it is reported, has ruled that most of the trucks in the Glades farmers' operations are "operated principally upon the highways" and therefore not subject to the \$5 tag.

The lawmakers of our state are to be congratulated on helping the Glades farmer — if they

did help them—along with the operators of "goals" and lumber trucks of our northern counties.

The author of the bill, who must have wanted to help the farmers, or the bill would not have been introduced, probably was in a hurry when he wrote the paragraph about covering the Glades farmers' trucks along with the "goals".

In the haste of writing the bill — it must be that — fortunately for the long-haul tractor and trailers, the wording of the bill causes no confusion about reducing their cost from \$1.75 to \$1.10 per CWT.

Maybe they had an attorney or a lobbyist there to see that their paragraph was written so that there is no confusion.

Wonder who wrote the truckers part of the bill, wonder who wrote the farmers' part of the bill, wonder who took care of the "goals" — we just wonder "Who Is The Goat?"

If the Attorney General were requested to do so, he might ask the Supreme Court to interpret the provisions of the bill for the benefit of a lot of folks without any legal expense to any farmer who thinks he is entitled to the same kind of downward-in-cost treatment as the large truck operators.

### MARINE RECRUITER AT DRAFT BOARD EACH TUES.

Marine recruiter, Sergeant Elwood A. Miller, will be at the Belle Glade Draft Board every Tuesday from 10:00 am, 'til 1:00 pm, to interview applicants for the Marine Corps.

Young men in the Belle Glade area who have any questions about the Marine Corps, or who are interested in volunteering for service before receiving their draft induction notice, are invited to meet the recruiter during those hours. Sgt. Miller explained that the Corps does not accept men through

the draft. All enlistments are voluntary and applicants cannot be accepted once they receive their induction notice he said. Age requirements for men with no previous military service is 17-32.

The recruiter also extended an invitation to parents to bring him any questions concerning their son's welfare while serving in the Marine Corps. He will be happy to explain all the advantages and opportunities offered their sons and discuss

the various phases of Leatherneck life including recruit training.

He pointed up the emphasis on physical training and organized athletics in the Marine Corps and said that Marines are encouraged to participate in the vast intra-mural sports program which is in operation at all posts and stations.

For further information contact your Marine recruiter at Belle Glade Draft Board next Tuesday.
